

Endian EDU GOV Program

Endian has always supported public organizations related to education and public administration with technologies that ensure the security of their infrastructure.

Thanks to the EDU GOV program, all Endian UTMs and related maintenance are offered at an **extra 25% discount**, in order to incentivize the implementation of state-of-the-art cybersecurity technologies.

Who can join the EDU GOV program?:

- Public schools of all levels (kindergartens, elementary, middle, high schools and universities)
- Public institutions and entities (municipalities, libraries, government agencies, etc.)

How to access the EDU GOV program?:

- Send the "EDU GOV Program Membership Application" form to Endian, completed in its entirety
- Wait for the authorization code from Endian
- Indicate the authorization number at the time of purchase

Conditions:

- Endian reserves the unchallengeable right to authorize or deny access to the EDU GOV program if the request does not comply with the above requirements
- The Endian product that is the subject of the request cannot be transferred or sold to third parties under penalty of termination of the maintenance service
- The purchase of the device must be made within 30 days after Endian sends the authorization code
